**Yes**  
If answer YES to all 4 VIP validations, proceed with the powertrain inspection.

**No**  
If answer NO to any VIP validation, vehicle not eligible for powertrain inspection.

## POWERTRAIN INSPECTION STEPS

	Yes	No	Authorized Repair Complete
1. Lift the vehicle on suitable hoist.			
2a. Check all powertrain components for leaks.			
Does the vehicle have a warrantable powertrain leak, obtain Service Manager approval for this repair to continue inspection. See dealer comments below.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
* Does the vehicle have a non-warrantable powertrain leak, customer must authorize retail repair before inspection can continue. See dealer comments below.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2b. Check all powertrain components for physical damage.			
* Does the vehicle's powertrain have physical damage, customer must authorize retail repair before inspection can continue. See dealer comments below.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2c. * Does the vehicle have modifications that have affected the operation of the powertrain? See dealer comments below.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Lower the vehicle and check the level and condition of all applicable powertrain fluids.			
Are powertrain fluids at acceptable levels? <input type="checkbox"/> Yes      If NO, have these levels caused damage? <input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Are powertrain fluid conditions acceptable? <input type="checkbox"/> Yes      If NO, have these fluid conditions caused damage? <input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. Connect a diagnostic scan tool and check for any active powertrain related Diagnostic Trouble Codes (DTC).			
If exhibiting any active powertrain related DTC, customer must authorize warrantable and non-warrantable repair before inspection can continue. See dealer comments below.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**Final inspection results**       **FAILED**       **PASSED**

**DEALER COMMENTS:**

**Service Manager Signature:**

**Customer Signature:**

Retain signed copy in dealer file and give copy to customer.

RO #:

By signing, customer is acknowledging that he/she has passed the powertrain inspection **OR** that he/she has failed the powertrain inspection and will no longer receive the benefits of Lifetime Powertrain Limited Warranty.

**\* EXCLUSIONS:** As stated in your Warranty Information book - Your warranties do not cover the costs of repairing damage or conditions caused by fire or accident; abuse or negligence; misuse - for example, driving over curbs or overloading; tampering with the emission systems, or with a part that could affect the emission systems; use of used parts, even if they were originally supplied by Chrysler (however, authorized Chrysler / Mopar remanufactured parts are covered); any changes made to your vehicle that do not comply with Chrysler; using any fluid that doesn't meet the minimum recommendations in your Owner's Manual; the cost of repairing damage caused by poor or improper maintenance; or any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle.

All other terms of the New Vehicle Limited Warranty including the section 1 (Your Rights Under These Limited Warranties) and section 3 (What's Not Covered) apply to the powertrain limited warranty.

This document supplements the warranties and conditions described in the vehicle's Warranty Information book. No other coverages are altered or extended based on this document.
