NOTE: THIS BULLETIN IS PROVIDED TO IDENTIFY THE PARTS AND PROCEDURES NECESSARY TO DEACTIVATE PASSENGER AIRBAGS IN COUNTRIES OUTSIDE OF THE UNITED STATES. THE COMPONENT PARTS ARE COVERED UNDER THE APPROPRIATE MOPAR PART WARRANTY.

DISCUSSION:

DaimlerChrysler Corporation is now offering a passenger airbag deactivation wiring package for the selected vehicles listed above operating outside of the United States. The wiring package is a kit containing all necessary parts and a detailed instruction sheet.

NOTE: Due to U.S. law and the inability for U.S. dealers to legally install these parts on U.S. vehicles, orders for the following parts will only be accepted from dealers outside of the United States.
